individuals, families, and communities.

YOUR GIFT MAKES A DIFFERENCE IN OUR COMMUNITY!

This year, you can designate your donation to the Maine Resiliency Center (MRC). Managed by Community Concepts, the MRC offers community connection, support, and resources to those impacted by the mass shooting in Lewiston on October 25th, 2023.

This fall, Community Concepts entered a new partnership with Oxford County Mental Health Services which will allow our organizations to more efficiently bring additional and essential services to current and future customers.

Your donation helps us to fulfill our mission to provide pathways to a healthy life for individuals, families, and communities in Western Maine through programs, partnerships, and advocacy.
